

ARTICLE 34

DETAILS & TEMPORARY PROMOTIONS

SECTION 1

- A. The term "detail" as used in this Article means a temporary assignment of an employee to a different classified position within the bargaining unit, or to a different set of unclassified duties, for a specified period of time, with the employee returning to her/his position of record at the end of the detail. The employee continues to encumber the bargaining unit position from which s/he was detailed during the term of the detail.
- B. The term "temporary promotion" as used in this Article means a temporary assignment for a specified period of time to a position at a higher grade than the one the employee currently holds where the employee is expected to return to his or her regular duties and grade at the end of the assignment. An employee must meet the qualification standards and other legal and regulatory requirements, such as time in grade for the higher-grade level before he or she can be temporarily promoted.
- C. The provisions of this Article apply to details to bargaining unit positions at the same or higher grade. Details may also be used to provide opportunities for interchange programs or developmental assignments. Selections for details will be made on a fair and equitable basis.

SECTION 2

- A. The Employer agrees that where it is expected that an employee will be detailed to a higher-graded bargaining unit position for a period in excess of thirty-one (31) and fewer than one hundred twenty (120) consecutive days, the employee will be temporarily promoted to that position effective at the beginning of the first full pay period following the beginning of the detail, provided that the employee meets the appropriate qualification standards and other legal and regulatory requirements, such as time in grade.
- B. Areas of consideration for details will be based on legitimate work-related reasons. To the extent feasible, information about detail opportunities will be disseminated to all eligible employees within the defined areas of consideration.
- C. Employees detailed or temporarily promoted to classified positions will be provided with a copy of the position description. Employees detailed to unclassified duties will be provided with written "Statement of Duties." The temporary assignment supervisor will generally meet with the employee to discuss what is expected from the employee. This meeting/discussion will normally be held within the first two workdays of the detail or earlier, if appropriate.
- D. For details or temporary assignments of less than one hundred twenty (120) calendar days, the temporary assignment supervisor upon request from the employee, will provide a written

report on the employee's performance to the employee's supervisor of record and provide a copy of that report to the employee. The Employer agrees to consider the appraisal or feedback in preparing the employee's rating of record for the current appraisal year.

- E. When an employee is detailed to a higher graded position for more than 120 days, and performs at an acceptable level of competence in that position, but is not eligible for a temporary promotion, the Employer will consider granting a special act award or other form of recognition to the employee.

SECTION 3

- A. Selection for details will be accomplished in compliance with Article 36 (Merit Promotion) when the Employer reasonably expects the detail to the higher graded position to last longer than one hundred twenty (120) consecutive days. However, the Employer may elect to use competitive procedures for details of lesser time.
- B. Details of more than thirty (30) consecutive calendar days will be formally documented in the employee's OPF, which may be done electronically. Confirmation of the detail will be provided to or, if electronically-filed, may be printed by the employee.

SECTION 4

In order to ensure a smooth transition between positions:

1. the Employer will provide necessary orientation to the employee at the beginning of any detail;
2. the Employer will provide to an employee who has been on detail to a different work area, the time reasonably necessary to re-familiarize her/himself with the position to which s/he is returning; and
3. the Employer will inform the employee of any changes in operating procedures which affect the manner in which the duties of the position of record are performed.
4. Employees who are detailed or temporarily promoted will normally be relieved of work required in the previous position when the detail or temporary promotion is in effect.
5. When possible, employees returning from detail will be returned to their same workstation occupied prior to the detail.

SECTION 5

Employees rating while on detail or temporary promotion will conform to Article 30 Performance Management Appraisal Program.

SECTION 6

The Employer retains the right to terminate a detail or temporary promotion at any time.

SECTION 7

The experience that an employee obtains while on a detail or temporary promotion will be credited as experience either in the employee's current position or the position to which s/he is detailed, whichever is more advantageous to the employee, subject to qualification rules and principles.
