

2011 LEGISLATIVE CONFERENCE WORKSHOPS

A Look at the 112th Congress

This class will provide an overview and understanding of the legislative process and the new Congress, and prepare bargaining unit employees for discussions on the Hill with members of Congress. It will explore various initiatives discussed by the new Congress and the impact of such initiatives on the Federal workforce. In addition, it will examine membership of the House and Senate with special emphasis on committee makeup and leadership positions. Emphasis will be on committees and subcommittees with jurisdiction over federal agencies and the workforce.

Wednesday, March 2, 2011

9:30 – 11:00am (Monet 4)

Wednesday, March 2, 2011

2:30 – 4:00pm (Monet 4)

Future of the Federal Workforce

This class will provide an overview of major legislative proposals to adjust the size of the federal workforce, and an examination of agency funding issues, federal pay and pensions, and hiring initiatives. It will address the potential impact of these major legislative proposals on Federal agencies, the workforce and the labor-management relationship at your agency. A question and answer period will follow.
